

ECOP Engagement Opportunities in PICES

Low commitment opportunities

(One off events or opportunities to expand your research network and learn more about PICES)

- Attend **PICES Annual Science Meeting** (*registration is free!*)
 - Oct 18–22, Oct 25–29 2021; Virtual; [website](#)
 - Attend the ECOP workshop (W5; Oct 20, 2021)
 - Participate in the interactive e-poster session (Oct 28, 2021)
- Attend the **4th ICES PICES Early Career Scientist Conference**
 - 9-12 May 2022; St. John's, Newfoundland, Canada, [website](#)
- **Sit in on** an Expert Group, Scientific or Technical Committee, or Scientific Program meeting
 - See the list of groups [HERE](#); contact the group's chair to inquire about sitting in on a meeting or see the links available to all registered annual meeting participants to sit in on a group's business mtg.

Medium commitment opportunities

(Minimal commitment, semi-frequent meetings)

- Help establish the **PICES Mentorship program**
 - Build your future career through helping establish the PICES mentorship program
 - Reach out to an ECOP member for more details (see p. 2)

Full commitment opportunities

(~1-3 yr commitment, monthly meetings, occasional intersessional work)

- **Join** a Working Group, Study Group, or Advisory Group
 - Contribute to international marine science initiatives and learn project planning/management.
 - Contact a Governing Council [member](#) or the Science Board [Chair](#) for more information
