**Navigating Changes in Small Pelagic Fish and Forage Communities:
Climate, Ecosystems, and Sustainable Fisheries**
International Symposium | La Paz, Mexico | May 4-8, 2026

Certificate of Recognition

Presented to:

Sebastián Vásquez

for Best oral presentation on:

**Integrating physiology, environment, and adaptation in anchovy (*Engraulis ringens*):
Insights from a Dynamic Energy Budget model in the southern Humboldt ecosystem**

Symposium Convenors:

Rebecca Asch
East Carolina
University, USA

Susana Garrido
Portuguese Institute
of Sea and
Atmosphere,
Portugal

Salvador Lluch-Cota
Centro de
Investigaciones
Biológicas del
Noroeste
S.C.(CIBNOR), Mexico

Chris Rooper
Department of
Fisheries and Oceans,
Canada

Motomitsu Takahashi

**Navigating Changes in Small Pelagic Fish and Forage Communities:
Climate, Ecosystems, and Sustainable Fisheries**
International Symposium | La Paz, Mexico | May 4-8, 2026

Certificate of Recognition

Presented to:

Jerry Ian Leonida

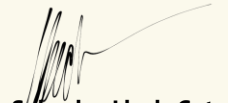

for Best oral presentation on:

**Assessing the lilang fishery of Miagao, Iloilo, Philippines:
Ecosystem-based insights on catch dynamics and sustainable fisheries management**

Symposium Convenors:

Rebecca Asch
East Carolina
University, USA

Susana Garrido
Portuguese Institute
of Sea and
Atmosphere,
Portugal
